TO WHOM IT MAY CONCERN:

I would like to take this opportunity to offer a formal recommendation for Vanguard Dealer Services and Andrew Grodzicki. As the Finance Director for Pendragon North America Automotive Inc I have had the pleasure of knowing and working with Andrew and his team for the past six years.

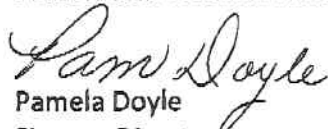

Andrew has demonstrated his ability to continually provide our dealer group with consistent dedication to our needs no matter how small or large the task is. We currently have five luxury franchise dealers representing Jaguar, Land Rover and Aston Martin. Andrew has successfully demonstrated his ability to provide us with value added products with a price point that allows us to be competitive in the market place as well as profitable. Not everything is black and white and Andrew understands that concept. His dedication to our account and our particular needs is unwavering. Presently we offer ten aftermarket products to our clients. Seven of those products are represented by Andrew.

My philosophy for the past forty years in the automotive industry has been to partner with those individuals and vendors who share the same dedication to customer service as I do. Andrew is one of those rare individuals who understands that your integrity and commitment to the task is paramount to success.

It is for these reasons that I offer high recommendations for Andrew Grodzicki without reservation. If you have any questions regarding this recommendation, please do not hesitate to contact me.

Sincerely,

PENDRAGON NORTH AMERICA AUTOMOTIVE, INC.
