To Whom It May Concern:

Gaudin Jaguar Porsche Aston Martin of Las Vegas has been selling the Easy Care extended warranty since May, 2004. We have been completely satisfied with the service that Apco, Vanguard Dealer Services and its representatives have provided to our Dealership and most importantly to our customers. Their Representative, Andrew Grodzicki is always available to help with any of our service needs. Not only does he have the dealership at best interest, but the customer's needs as well.

Gaudin Jaguar Porsche Aston Martin of Las Vegas highly recommends Vanguard Dealer Services, Apco and Easy Care for all of your extended warranty sales and needs.

Sincerely,

Beth Lamermer
