To Whom it May Concern;

My Dealerships have been working with Andrew Grodzicki and Vanguard Dealer Services for five years and our relationship has been outstanding.

As a Mazda Dealer, it is imperative to find every possible profit center and the Vanguard Team has assisted us with not only back end products but consultation services that have both saved money and provided non-traditional profit centers.

Also, the service provided has been second to none. Mr. Grodzicki's work ethic and focus on dealer profits are unparalleled. Any hour of the day I have contacted him and he has answered our questions or responded in a timely manner.

I recommend their services without hesitation.

Sincerely,
